T THE RIQUETRA

Volume 17, No. 12
June 15, 2010
Dr. Richard S. Hipps, Pastor

From the Pastor's Pen

Have you and your kids seen the wonderful movie *The March of the Penguins*? The film follows the Emperor Penguins of Antarctica on their incredible journey through ice and snow to mating grounds up to 70 miles inland. The film is narrated by Morgan Freeman and captures beautifully the drama of these three-foot-high birds in the most inhospitable of environments.

Once the penguins have made their trek to their mating grounds, and the females have produced their single egg, a remarkable exchange occurs. Through an intricate dance, each mother places her egg into the father's care. At this point the father becomes responsible for the egg and must keep it warm.

As this part of the story unfolds, the camera shows remarkable shots of the penguin fathers protecting the eggs on the top of their feet and sheltering them against the cold, which will drop to as low as 80 degrees below zero.

Freeman narrates:

Now begins one of nature's most incredible and endearing role reversals. It is the penguin male who will tend the couple's single egg. While the mother feeds and gathers food to bring back for the newborn, it is the father who will shield the egg from the violent winds and cold. He will make a nest for the egg atop his own claws, keeping it safe and warm beneath a flap of skin on his belly. And he will do this for more than two months...

As winter progresses, the father will be severely tested. By the time their vigil on top of the egg is over, the penguin fathers will have gone without food of any kind for 125 days, and they will have endured one of the most violent and deadly winters on earth, all for the chick.

Daddys, these little penguins fathers model for us the kind of daddys we want to be--faithful, dedicated, and sacrificial in our love for our children. God help us stay the course.

Happy Father's Day!
Pastor Richard

Kroger Gift Card Fundraiser

Kroger Card Fundraiser- Attention Trinity Members! Do you shop at Kroger? If so, you can raise money for your student's trips and shop for groceries at the same time! All you have to do is buy a \$5.00 Kroger gift card from David or Tammy Wood and then put your grocery (or Kroger Gas) money on that card. You can repeat this process as much as you want. 5% of what you load onto the card will go into your student's account. For example if you load \$100.00 onto it in June, \$5.00 will go to your student. You can buy one for yourself and your friends and they can earn money for your student as well! If you do not have a child in youth but would like to help, you can request a "general fund" card. The money you raise on that card will be put in an account that will be spread evenly to help the whole program.

Preschool/Children's Choir Thanks

Thank you to Leigh Emery, Melissa Kennedy, Paula Jordan, Jan Griffin, Ann Cameron, Pam Perry, Katie Heady, and Lisa Buckner for a great year of preschool and children's choirs! These ladies worked extremely hard all year to minister to our children. We are already looking for additional helpers for the 2010-2011 year – if you love kids and want to help them grow, call the church office or email jmoore@trinity-baptistchurch.org to find out more information.

Adult Choir Sabbatical

I am so proud of our Adult Choir and the hard work they have put in to preparing and leading us in worship each Sunday! Starting Sunday, May 30, the choir will be taking a 6 week sabbatical to rest and rejuvenate after a long year and will be back in the choir loft on Sunday, July 11. During this break, when you see a choir member sitting next to you in the pew on Sunday, give them a hug and tell them "thanks" for all their hard work in worship.
