PERSONALIZING THE GOSPEL STORIES

The purpose of this seven week study is to help you personalize the stories of the Gospels and find meaning in what Jesus did and said, and explore why it matters to you now. Personalizing the stories of the Gospels calls us to a deeper understanding of our identity in Christ and urges us to live out that identity in our everyday lives. Join us for this unique approach to engaging scripture.

PRESCHOOL MINISTRY

The Preschool Ministry is in need of Sunday school Teachers for the four year old class. Please consider sharing the love of Jesus Christ to these little ones. The lives of these children will be changed because of the ministries at our church. These children could grow up to serve our community, our country or on the mission field as a direct result of the love and encouragement they received here. Wouldn't you want to be a part in making that happen? Please see Missy Hansen if you are interested in giving your time, love and care.

TABLECLOTH ROUND UP

Summer is here, but before you know it, fall will arrive and the holiday season will be just around the corner. If you've used any of the large white tablecloths in the past, (either for Taste of Trinity Dinner or other church events), please check your linen closet to see if you have any of them that need to be returned.

Last year at our annual Taste of Trinity Dinner, we were missing at least 15 tablecloths. It is not too early to start planning events, so please get those returned. Please drop them off at the church office. Thank you.
