JESUS MANIFESTO
by Leonard Sweet and Frank Viola

Christians have made the gospel about so many things--things other than Christ. Religious concepts, ideas, doctrines, strategies, methods, techniques, and formulas have all eclipsed the beauty, the glory and the reality of the Lord Jesus Himself. On the whole, Christians today are starved for a real experience of the living Christ. We know a lot "about" our Lord but we don't know "Him" very well. We know a lot about trying to be like Jesus, but very little about living by his indwelling life.

JESUS MANIFESTO presents a fresh unveiling of Jesus as not only Savior and Lord, but as so much more. It is a prophetic call to restore the supremacy and sovereignty of Christ in a world--and a church--that has lost sight of Him.
