***Responsive Reading** Psalm 148 Jamie Moore

Praise the LORD!
Praise the LORD from the heavens; praise Him in the heights!
Praise Him, all His angels; praise Him, all His host!
Praise Him, sun and moon; praise Him, all you shining stars!
Praise Him, You highest heavens, and You waters above the heavens!
**Let them praise the name of the LORD, for He commanded
And they were created.**
He established them for ever and ever;
He fixed their bounds, which cannot be passed.
Praise the LORD from the earth,
You sea monsters and all deeps,
Fire and hail, snow and frost, stormy wind fulfilling His command!
Mountains and all hills, fruit trees and all cedars!
Wild animals and all cattle, creeping things and flying birds!
Kings of the earth and all peoples, princes and all rulers of the earth!
Young men and women alike, old and young together!
Let them praise the name of the LORD, for His name alone is exalted;
His glory is above earth and heaven.
He has raised up a horn for His people, praise for all His faithful,
For the people of Israel who are close to Him. Praise the LORD!

***Hymn of Praise 36** *“Praise the Lord! Ye Heavens, Adore Him”* HYFRYDOL

**LET ALL WITH HEART AND VOICE
BEFORE HIS THRONE REJOICE**

Message in Song *“It Is Good”* (Lantz III) Sanctuary Choir

It is good to give thanks to the God of creation
Who dwells in the heavens above.
In His presence we stand with the great congregation
To sing of His goodness and love, His goodness and love.

It is good to give thanks for the world He has fashioned,
The sun and the moon to give light,
He determined the number of stars, and He named them;
He rules both the day and the night, the day and the night.

Refrain:

It is good, it is good to give thanks to the Lord,
Singing praise to His glorious Name.
It is good, it is good to remember His love
And His faithfulness, ever the same.

It is good to give thanks and forever exalt Him,
So great is His power and might.
And His pleasure is found in His children who fear Him.
Our praise is to Him a delight, to Him a delight.
