FROM THE BIBLE...

LOVE MUST BE SINCERE. HATE WHAT IS EVIL; CLING TO WHAT IS GOOD. BE DEVOTED TO ONE ANOTHER IN BROTHERLY LOVE. HONOR ONE ANOTHER ABOVE YOURSELVES. ROMANS 12:9-10

Something Greater Than Ourselves . . .

I remember driving around in my first car when I was 16. It was a pretty normal day. I was not far from home when I noticed the car started sounding funny. Then I noticed it started acting funny. I was on my way to a friend's house but decided to turn around and quickly get back home. When I pulled in the driveway, I stopped the car. Then I saw the one of the worst things you can see, smoke coming from underneath the hood. I began to panic! Was my car on fire? What happened?! How do I fix this? Since it was white smoke and it didn't look like it was getting worse, I decided just to wait outside of the car to see if things got better. After about five minutes the smoke was diminishing so I opened the hood. I looked at the engine and in between puffs of smoke I saw . . . well a smoking car engine. I had no idea what I was looking at! I also knew there was no way I could fix this. I didn't even know where to begin. To make a long story short, I had to get help from my Dad. He knew about these kinds of problems in cars, and knew how to fix it . . . Looking at this story I am reminded that we all need Jesus so desperately. The state our sin puts us in, and how weak we truly are compared to Him is ridiculous. Us trying to fix ourselves would be like me trying to fix that engine. I would only make it worse. I needed something greater than myself. We need something greater than ourselves in our everyday lives to believe in, trust, and allow to take control of our lives to heal our brokenness. Thank the Lord He has given us that person! Ask yourself, am I living a life in *complete* need of Jesus? If not, it's never too late to start.

--**Kroger Card Fundraiser**- Attention Parents! Do you shop at Kroger? If so, you can raise money for your student's trips and shop for groceries at the same time! All you have to do is buy a \$5 Kroger gift card from David or Tammy Wood. Then put your grocery (or Kroger Gas) money on that card to buy all of your groceries. You can repeat this process as much as you want. 5% of what you load onto the card will go into your student's account. For example if you load \$100 onto it, \$5 will go to your student. You can buy one for yourself and your friends and they can earn money for your student as well!
