

Dateable Rules week 3 guys

Read the description or Melissa pg 66

After reading

1. Does this girl sound attractive to you? Why or why not?
2. Why isn't she getting dates?

She doesn't need you. And we as guys like to be needed. We're problem solvers. Now we DON'T FIX GIRLS but we like to be able to help them out.

When a girl gets so independent: They become "just one of the guys" FRIEND ZONE!

Problem with roles. Alysa is showing them how to take on their girl roles.

So I am gonna walk with you our guy Role

P69. How can we take back our roles as men? What are some male roles today?

Lets hit some role rules

Role Rule 1. Be a Gentlemen! Chivalry is NOT dead! Be someone she can look up to. NOT PERFECT  
Everyone know what chivalry means?

examples

P 70 "Rescue Maiden from Castle" Who read it? What does that mean?

1. Pick her up and walk her to her door
2. Protect her honor? what did the book mean?- Eph 5:3
3. Be the man of adventure and share that with her.
4. Listen!!!

Ex the book gives- something wrong =nothing wrong. What happens when a girl asks you this? What do you do. Now what happens when she asks you. She grills you... Because she thinks your saying. I want to tell you but I want you to ask more to show you care.

5. Other examples to be a gentlemen? Pull out chair, compliment her, give gifts, look her in the eye.

2. Be a LEADER: Girls like having someone to look up to. DON'T BE DICTATORS/ OPRESSORS or STOMPERS!

3. Be a respector of women: These girls (at least the ones you should be dating) are children of God right?

That makes them: Holy, pure, Christ like, With the Holy Spirit in them. And God has great big plans for them. They deserve your respect and honor. Also they are caring of you and wanted to be cared for in return.

If you treat women like sexual objects, conquests, your toy that you can do with whatever you want or just someone to make you feel good about yourself, stop dating!!!!

Fun RULES!

The DATE RULES: Who can find me rule number 1

1. Whoever asks, drives: What does that mean?

2. Dateable Males Always get the door. Why?

3. Dateable Males Plan why?

girls like a leader. And girls like to know you care about them. "You did all this for me?"

4. Whoever asks pays \* if you cant pay, you cant play

5. The Dateable Male does NOT touch inappropriately. Where is the boundary here?

She is to be Honored.

Bottom line to all this Dating someone read Col 3:23: Bring your dates to God before during, and after.

Who he approve of it? Would He be proud of it and of what you're doing with this girl?
